INDEPENDENT AND ASSISTED LIVING IN WESTCHESTER

Independent Living facilities are for Seniors who are able to live independently but choose to pay for some services such as meals. Assisted Living facilities offer assistance with daily living activities, meals, medication and housekeeping services for seniors and can cost over \$4,000 a month unless the facility is subsidized. A Continuing Care Retirement Community (or CCRC) is a facility that provides the full range of care for Seniors. Facilities listed as "Subsidized" below may have lower costs for low income seniors. The cost may be covered by Medicaid in some cases.
